With reference to the letter 4th cited, PMC has requested to replace the Non-Key/Local expert Mr.Rahul M Ramdhan, Pipeline Engineer with Mr.K.Prabath stating that the individual could not continue his inputs for the project due to his personal family issues.

In this regard, CMWSSB requested PMC to submit the experience certificate from previous employers and also to specify the length and diameter of transmission main and distribution pipeline he had dealt with, in order to process his CV for replacement vide reference 5th cited.

Further now, vide 6th cited, PMC has furnished the experience certificate along with the updated CV. On scrutiny of the updated resume with the experience certificates, clarification is requested on the below observations.

- Overlapping of the experience period from 1st May 2012 to 14th May 2012, has been observed between the employers "NLC Nalco Water India Limited" and "Annai Swarnam Construction Private Ltd". Hence clarification is requested on the same.
- With respect to the latest Employer - "P&C Projects Private Limited", only the offer letter has been enclosed and not the experience certificate. Hence it is requested to furnish the experience certificate from the current employer.
