Sub: JICA Assisted "Project for Construction of 400 MLD Capacity Seawater Reverse Osmosis Desalination Plant at Perur"

Request to arrange Zonal level meeting of Area XIII- Adyar for verification/authentication of data collected by PMC - by Ward/ Depot Area Engineers- Reg.

- Ref**
1. Our Letter No. SSNT PMC 400 MLD / CMWSSB / 5061185/288, dated 23.02.2021
 2. Our Letter No. SSNT PMC 400 MLD / CMWSSB / 5061185/289, dated 23.02.2021
 3. Our Letter No. SSNT PMC 400 MLD / CMWSSB / 5061185/295, dated 02.03.2021
 4. Our Contract Agreement with CMWSSB, dated 09.01.2020

Dear Sir,

This is reference to the above subject, we would like to bring to your notice that, our team has completed the data collection and drawing preparation of existing distribution network of Area XIII. We are in the process to initiate the design activity. However, before that we need to understand the condition of existing pipelines as most of the pipelines are of CI material (without internal lining) and of age more than 20 years and the verification/authentication of the PMC team collected data so far, by the respective depot/ward engineers. In this regard, we would like to request you arrange zonal level meeting with concern Area/Depot engineer.

In addition to the above, once again we request you to arrange a meeting as mentioned in letter ref no 2. to discuss and sort out the WDS wise water demand variations considered in JICA report and projected by PMC based on ward wise population details shared by CMWSSB.

Also, we would like to know status of the authentication/verification of the Area X existing distribution network drawings and details of information as requested in Data sheet submitted vide letter ref no 1.

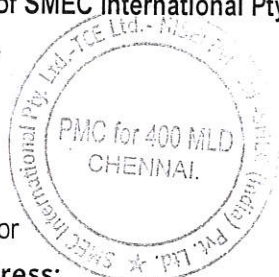

This is for your kind information and needful action.

Thanking you assuring our services at all times.

Yours truly,

For Consortium of SMEC International Pty Ltd-TCE Ltd.-NJS Engineers India Pvt. Ltd.-SMEC (India) Pvt. Ltd.

S. Srinivasarao
Project Coordinator
