Sir,

Sub: CMWSSB- SE (Desal) – Setting up of 400 MLD SWRO Desalination Plant at Perur & its allied works with JICA fund assistance – Component CP1 (Construction of 400 MLD Desalination Plant) - Draft Request for Pre-Qualification Prepared and forwarded to JICA - Comments received – Forwarded – Reg.

- Ref: 1. W.O. No. Lr.No.CMWSSB/CNT/CON/DESAL/ICB/GOI/016/2018-19,
dt.06.11.19
2. Mail sent to SMEC on 17.09.2020
3. Mail from JICA dated 23.09.2020.

With reference to the revised draft Request for Prequalification furnished to JICA on 08.09.2020, JICA has commented that in Eligibility and Qualification Criteria 4.2(a), Specific Experience part of the EQR 4.2(a) i.e “process having Intake / outfall facility and energy recovery system to the following capacity options” was not a part of MOD and requested to either delete it or keep it by adding minimum requirement (i.e. atleast one plant of the 100MLD capacity) and the same was informed to the Project Management Consultant, vide reference 2nd cited.

Further, vide reference 3rd cited, JICA has recommended to draft the Notes for the Applicants iv) and vi) under 4. Experience in Eligibility and Qualification Criteria as below:

“The Bidder shall have experience in the role of prime contractor (Single entity or JV member) for experience in Construction, Testing, and commissioning minimum. The lead partner shall be given 100% experience credit while other JV partners shall be given experience credit in the proportional to their percent share in JV relative to the share of lead partner”.

Hence, you are requested to furnish revised draft Request for Prequalification incorporating the comments of JICA.
