No.266, Thiruvotriyur High Road,
Chennai – 600021.

Sir,

Sub: CMWSSB- SE (Desal) - Project for Construction of Chennai Sea Water Desalination Plant (I) - Consultancy for "Design, Preparation of Bid Documents & Evaluation of Bids for the Proposed Construction of 400 MLD Capacity Seawater Reverse Osmosis Desalination Plant at Perur along East Coast Road, South of Chennai, Tamil Nadu and Construction Management & Supervision for the Proposed Desalination Plant and its Product Water Conveyance Pipeline from the Plant and upto Porur and all allied works – Improvement to existing distribution network in core Chennai city - Details of road required - Reg.

Ref: 1. Lr.No.CMWSSB/CNT/CON/DESAL/ICB/GoI/016/2018-2019 Dt 06.11.2019
2. Letter No: CMWSSB/SE(Desal)/400 MLD Plant/PMC/2020 Dt: 13.01.2020

In order to bridge the demand in water supply and to augment water supply in Chennai city, CMWSSB proposed to set up a 400MLD capacity Sea Water Reverse Osmosis Desalination Plant at Perur along ECR, Chennai.

Further along with this work, CMWSSB is undertaking the work of improving the distribution networks in the core Chennai city and in this regard for the above project, a Project Management Consultant is engaged and the work is awarded to the company M/s. SMEC International Pty Limited in consortium with 3 others.

Now, in order to carry out the above work, it is requested to furnish the width of road and road type in GCC area as it is essential to design the improvement to the existing water distribution systems in core Chennai city.
