Dear Sir,

This is reference to your letter mentioned above regarding the replacement of Mechanical Engineer (Non-Key Local expert), we would like to bring to your kind attention that as both of our earlier proposed mechanical experts i.e Mr. Surajit Debnath and Mr. Mayur Gupta were resigned and separated from our organization due to their personal constraints. Though, we are not willing to replace any of the proposed expert in the PMC team due to employee's individual decision to separate from the organization, for us it is becoming obligatory to replace the position with new person. However, we shall ensure that new expert proposed shall meet/exceed the qualification criteria requirements as mentioned in the contract agreement.

This is for your kind consideration and approval of the proposed expert at the earliest.

Thanking you

Yours truly
