Sl.No.	Permit requirements for Contract Packages	Status
Contract Package (CP4)		
7	CRZ clearance for Area IV, V, IX and XIII, which are along the coastline	<ul style="list-style-type: none">To be obtained before commencement of workApplication for CRZ needs to be submitted after finalization of design to TNCZMA by CMWSSBProspective Contractor to liaison with TNCZMA/ CMWSSB for obtaining CRZ clearance
Contract Package (CP5)		
8	Enter upon permission for the proposed common electrical substation site for CP5 component (4.91 acres)	<ul style="list-style-type: none">The land lease agreement was executed at O/o Sub-registrar, Thiruporur on 22.07.2021 between CMWSSB and M/s. Arulmigu Alavandar Nayak Trust
9	CRZ clearance for electrical substation site for CP5	<ul style="list-style-type: none">To be obtained before commencement of work by CMWSSBApplication for CRZ can be submitted after preparation of DPR to District Coastal Zone Management Authority

In the case of CP4, we have proposed CRZ clearance in the Contractor's scope. Also, it may please be noted that for CP1, a six-monthly CRZ compliance report is to be submitted to TNCZMA as part of the CRZ Clearance requirement. The compliance reports are to be submitted on 1 June and 31 December every calendar year.

We request to take action on the above environmental permit requirements as these will affect the project progress and timeline.

Thanking you and always assuring our best services.

Yours truly,

For Consortium of SMEC International Pty Ltd-TCE Ltd.-NJSEngineers India Pvt. Ltd.-SMEC(India) Pvt. Ltd.

S.Srinivasarao
