Dear Sir,

With reference to your communication received under letter cited in reference no.1 dated 13.03.2020 regarding the request for detailed scope of work for Dr.Uday Kelkar (NJSEI Pvt. Ltd.) for the subject project. The following are the detailed scope of work for Dr.Uday Kelkar (NJSEI Pvt. Ltd.) for the project.

- i. Review all the bid documents and contract documents produced by team.
- ii. As and when require provide design input /review to Desal team on various design issues as well as advances in treatment process options – especially for pre-treatment, filtration, RO and energy recovery
- iii. Guide the team and CMWSSB on various JICA procedures in the documentation, progress reports, follow up meetings.
- iv. Providing overall advisory to team in making critical deliverables.
- v. Attending decision meetings with CMWSSB and JICA on providing his views.

However, his inputs are intermittent and help greatly in expediting the project deliverables and approvals. Presently, it is envisaged that his input of 2.50 months is expected to spread over project duration of 60 months and his cost is used from that of Desal Process expert. However, overall there is no change in project approved budget for the PMC assignment.
