Ref: Email dated 20.09.2021 towards clarification of travel claimed of Mr. Suresh Mohan Dwivedi, GIS Operator in M/s. NJS Engineers India Pvt. Ltd. Invoice for the month of February 2021 to May 2021.

Dear Sir,

In reference to your above email received on 20.09.2021, herewith we are providing the clarification on the flight tickets of Mr. Suresh Mohan Dwivedi (GIS Operator).

It is to be noted that Mr. Suresh Mohan Dwivedi was mobilized in Chennai Desalination Project on 24.11.2020 from his home town Varanasi to Chennai and his travel date was 23.11.2020 accordingly in November 2020 invoice we claimed Air Tickets No. 0.5 , amount Rs. 6,932.00 from Varanasi to Chennai but client approved 0.5, amount Rs. 5000.00

He was subsequently demobilized from this Project on 24.03.2021 and he had travelled from Chennai to Varanasi on 25.03.2021 accordingly in March 2021 Invoice we had claimed the cost of the Air Tickets No.0.5, amount Rs. 5,000.00 from Chennai to Varanasi.

He was again mobilized in Chennai Desalination Project on 08.04.2021 from Varanasi to Chennai and his travel date 07.04.2021 accordingly in April 2021 invoice we claimed Air Tickets No. 0.5, amount Rs. 5,000.00 from Varanasi to Chennai.

So in all the above three cases we have claimed reimbursement of 0.5 of the round trip cost each in the Nov'2020, Mar'2021 and Apr'2021 invoices.

It is also to be noted that he was initially mobilized from Jodhpur, his previous project location where the project ended, and flight tickets were claimed accordingly. His hometown is Varanasi and hence his all subsequent tickets are with respect to Varanasi. Till date a total of 2 trips have been claimed.

Hope the above provides the clarification sought.

Any issues with respect to the same may be considered as per Clause 6.5 (c) of the Contract Agreement.
