The PMC firm vide letter 2<sup>nd</sup> cited, has requested for the replacement of Non key/Local Experts i.e., Pipeline Engineer 1 & 2.

As per the Contract Agreement, the qualification & experience of Non Key experts are Bachelor Degree in the respective field with minimum 5 years of work experience in similar nature of work.

On scrutinizing the CV's of the Pipeline Engineer-1 & Pipeline Engineer- 2, it is found that the CV does not specify the capacity of WTP or the size of the pipeline involved in the project. Also, while specifying the experience it is not clear what is the project carried out under the various employers. Hence, the CV of Pipeline Engineer – 1 & 2 could not be considered for processing.
