Dear Sir,

This is with reference the clarifications sought vide your letter Ref 1 for processing the CV of Mr Prabhat for the post of Pipeline Engineer 1 (Non Key Expert).

We herewith provide the point wise response to the clarifications:

1. Overlapping of the experience period from 1st May 2012 to 14th May 2012, has been observed between the employers NLC Nalco Water India Limited and Annai Swarnam Construction Pvt Ltd .
Our response : Mr.Prabhat has joined in M/s Annai swarnam construction on 21st May 2012 , but joined date is mentioned in experience certificate as 1st may 2012 . It is typographical error, instead of 21st May it was mentioned as 1st May. He had approached them for correction but he left as such there is no proper response from them.
2. With respect to the Latest Employer, P&C Project Private Ltd only the offer letter has been enclosed not the experience certificate.
Our response: Mr.Prabhat is presently working with M/s P&C Project Private Ltd. Once he is leaving the organisation for joining the project that time he will produce the experience certificate.

You are requested to kindly process the CV as the staff is available for immediate mobilization and early approval will help in delivering the services expeditiously.

Thanking you for your kind consideration.

Very truly yours,

for NJS Engineers India Pvt Ltd (Member of Consortium)
