		The topographical survey drawing (hard copy in A0 of 16 sheets and soft copy in CD) for the CP4 component was submitted to CMWSSB vide our letter reference no. SSNT PMC 400 MLD / CMWSSB / 5061185/397, dated 06.08.2021. The acknowledgement copy of the submitted letter for the topographical survey drawing is enclosed in Annexure-5.
		 There is a typo error in the "unit mentioned as No." for topographical survey work as a part of the reimbursable items in the Contract Agreement. However, as per the International System of Unit (SI), the unit for topographical survey work is measured in terms of "Hectare or acre" for closed boundary area and "metre or kilometre" for road length. So, PMC request you to kindly consider the unit as "Hectare or Kilometer" for each unit for the topographical survey work (1 unit = 1 No. = 1 Hectare for closed area boundary and 1 unit = 1 No. = 1 Kilometer for road length).
